

Product datasheet:

EVolution EMC SET R1

SET single core cable without lower part

- Set without lower part
- Electromobility
- Reliable processing
- Other cross sections

Article number: **1089.25.175.SETR1**

EAN: 7611614494524

Packaging quantity: 25

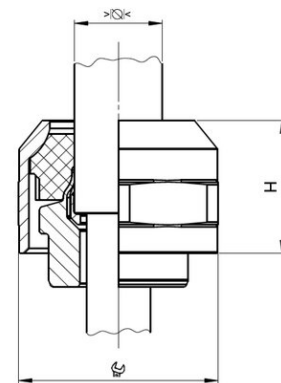

Features

Properties: Inner diameter according to the lower part

Storage / Installation / Operation

Minimum operating temperature: -40 °C

Maximum operating temperature: 140 °C

Assembly instructions
