

## Product datasheet:

# EVolution EMC components

## Protection cap

· Electromobility

**Article number:**  **1089.20.20**

EAN: 7611614349411

Packaging quantity: 25

Price group: 525

### Dimensions / Form

Product Ø: 24.2 mm

Thread: M20

Product depth: 36.5 mm

### Features

Thread type: metric

### Storage / Installation / Operation

Minimum operating temperature: -40 °C

Maximum operating temperature: 120 °C
