

Product datasheet:

EVolution EMC components

Protection cap

· Electromobility

Article number:  **1089.20.20**

EAN: 7611614349411

Packaging quantity: 25

Dimensions / Form

Product Ø: 24.2 mm

Thread: M20

Product depth: 36.5 mm

Features

Thread type: metric

Storage / Installation / Operation

Minimum operating temperature: -40 °C

Maximum operating temperature: 120 °C
