

Product datasheet:

EVolution EMC components

Protection cap

· Electromobility

Article number:  **1089.25.25**

EAN: 7611614349428

Packaging quantity: 25

Price group: 525

Dimensions / Form

Product Ø: 30.5 mm

Thread: M25

Product depth: 36.1 mm

Features

Thread type: metric

Storage / Installation / Operation

Minimum operating temperature: -40 °C

Maximum operating temperature: 120 °C
