

Product datasheet:

EVolution EMC components

Protection cap

· Electromobility

Article number:  **1089.32.32**

EAN: 7611614349435

Packaging quantity: 25

Price group: 525

Dimensions / Form

Product Ø: 37.9 mm

Thread: M32

Product depth: 25.3 mm

Features

Thread type: metric

Storage / Installation / Operation

Minimum operating temperature: -40 °C

Maximum operating temperature: 120 °C
