## Cable entry frame with brush, size 10

### Cable entry frame with brush

|                     |               |
|---------------------|---------------|
| Article number:     | ⇒ 1910.Z.10   |
| EAN:                | 7611614499307 |
| Packaging quantity: | 17            |
| Price group:        | 580           |

#### Dimensions / Form

|                                             |          |
|---------------------------------------------|----------|
| Installation opening (wall/ceiling) length: | 63 mm    |
| Installation opening (wall/ceiling) width:  | 39 mm    |
| Dimension A:                                | 99 mm    |
| Dimension B:                                | 61 mm    |
| Measurement value C:                        | 12 mm    |
| Cover for box/housing/casing Ø:             | 63x39 mm |
| Borehole distance X:                        | 83 mm    |
| Borehole distance Y:                        | 32 mm    |

#### Safety / Properties

|               |                                           |
|---------------|-------------------------------------------|
| Flammability: | Self-extinguishing according to UL 94 V-0 |
|---------------|-------------------------------------------|

#### Features

|             |                           |
|-------------|---------------------------|
| Properties: | Halogen and silicone free |
|-------------|---------------------------|

#### Storage / Installation / Operation

|                                |        |
|--------------------------------|--------|
| Minimum operating temperature: | -25 °C |
| Maximum operating temperature: | 80 °C  |

The 1910.Z-series is meant for the passage of cables with and without connectors, when there is no need for water tightness and strain relief. Effective protection against dust and debris.

- Brush frame for cables with or without connectors
- cost efficient solution
- Colour black
