

## Product datasheet:

### Grommet SPG PG series

#### Cable grommets 1919.SPG.P large, pyramid-shaped multi-range grommets for cables without connectors

|                     |               |
|---------------------|---------------|
| Article number:     | 1919.SPG.PG   |
| EAN:                | 7611614497891 |
| Packaging quantity: | 10            |

#### Dimensions / Form

|                      |         |
|----------------------|---------|
| Ø min.:              | 17.0 mm |
| Ø max.:              | 33.0 mm |
| Dimension A:         | 45.1 mm |
| Dimension B:         | 39.7 mm |
| Measurement value C: | 14.4 mm |

#### Safety / Properties

|               |                                           |
|---------------|-------------------------------------------|
| Flammability: | Self-extinguishing according to UL 94 V-0 |
|---------------|-------------------------------------------|

#### Features

|             |                           |
|-------------|---------------------------|
| Properties: | Halogen and silicone free |
|-------------|---------------------------|

#### Approvals / Certifications

|                   |      |
|-------------------|------|
| Protection class: | IP66 |
|-------------------|------|

#### Storage / Installation / Operation

|                                |        |
|--------------------------------|--------|
| Minimum operating temperature: | -40 °C |
| Maximum operating temperature: | 110 °C |

The 1919.SPG.P series grommets are suitable for use with cables without connectors. The cut is made at the point corresponding to the diameter of the cable. The cable can be secured with a cable tie.

- Universal solution for cables without connectors with diameter from 17 to 33 mm
- Model without hole available
- Can be used in all 191x series frames
- UL 94 V-0
- Colour grey
