

## Product datasheet:

# Splittable cable glands 1917.PRED.ZZ.xx with double brush, M63

## Cable glands 1917.PRED.ZZ series, splittable, with locknut and double brush

|                     |                   |
|---------------------|-------------------|
| Article number:     | ➔ 1917.PRED.ZZ.63 |
| EAN:                | 7611614499536     |
| Packaging quantity: | 10                |

### Dimensions / Form

|                                             |         |
|---------------------------------------------|---------|
| Installation opening (wall/ceiling) length: | 63.5 mm |
| Installation opening (wall/ceiling) width:  | 63.5 mm |
| Cover for box/housing/casing Ø:             | 63.5 mm |

### Safety / Properties

|               |                                           |
|---------------|-------------------------------------------|
| Flammability: | Self-extinguishing according to UL 94 V-0 |
|---------------|-------------------------------------------|

### Features

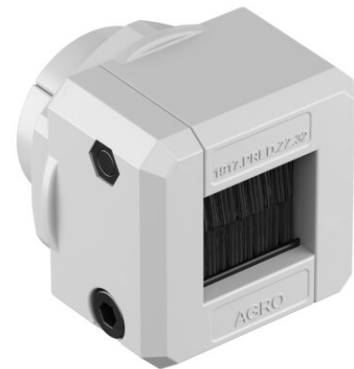

|             |                           |
|-------------|---------------------------|
| Properties: | Halogen and silicone free |
|-------------|---------------------------|

### Storage / Installation / Operation

|                                |        |
|--------------------------------|--------|
| Minimum operating temperature: | -25 °C |
| Maximum operating temperature: | 80 °C  |

Cable glands of the 1917.PRED.ZZ series consist of a square frame with two rows of brushes. Excellent protection is offered against dust and debris due to the double brush.

- Frame with double brush for cables with and without connectors
- Frame screws in AISI304 Stainless Steel
- metric threads M32 and M63
- Double brush offering increased dust protection
- locknut and gasket included
- Colour black
