

## Product datasheet:

# Membrane plates 1940.PDM.M series, M63

## Membrane plates 1940.PDM.M series

**Article number:**  1940.PDM.M63/14.G

**EAN:** 7611614500096

**Packaging quantity:** 10

**Price group:** 580

### Dimensions / Form

**Product depth:** 8.5 mm

**Measurement value C:** 22 mm

### Safety / Properties

**Flammability:** Self-extinguishing according to UL 94 V-0

### Features

**Properties:** Halogen and silicone free

### Approvals / Certifications

**Protection class:** IP66

### Storage / Installation / Operation

**Minimum operating temperature:** -40 °C

**Maximum operating temperature:** 110 °C

The cable entry plates of the 1940.PDM.M-series are used to save space and time. They use the metric holes on cabinets or machinery and the locknut guarantees a strong strain relief and highest water and dust protection. The cable is pushed through the front membrane, whilst the second membrane increases the strain relief and liquid resistance.

- For a large number of cables without connectors
- high strain relief thanks to the double membrane
- cost efficient solution
- Recommended tightening torque 8 Nm
- Colour grey
