

## Product datasheet:

# Reduction fittings nickel-plated brass

## Reduction and enlarging fittings nickel-plated brass

- Outer thread metric
- Inner thread metric
- without O-Ring

|                        |                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------|
| <b>Article number:</b> |  <b>3545.25.17</b> |
| E-No:                  | 126348025                                                                                           |
| EAN:                   | 7611614229294                                                                                       |
| Packaging quantity:    | 50                                                                                                  |

### Dimensions / Form

|                  |         |
|------------------|---------|
| Ø A:             | 27 mm   |
| Dimension H:     | 3 mm    |
| External thread: | M25x1.5 |
| Internal thread: | M16x1.5 |
| Thread length L: | 8 mm    |

### Features

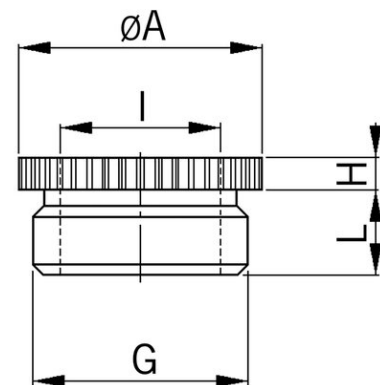

|               |           |
|---------------|-----------|
| Product type: | reduction |
|---------------|-----------|

### Approvals / Certifications

|                                  |                                       |
|----------------------------------|---------------------------------------|
| Protection class:                | IP54                                  |
| Protection class with condition: | IP68 (if connection thread is sealed) |

### Storage / Installation / Operation

|                                |        |
|--------------------------------|--------|
| Minimum operating temperature: | -40 °C |
| Maximum operating temperature: | 200 °C |
