

Product datasheet:

Synthetic protective conduits ROHRflex® PA 6-L

Synthetic protective conduits ROHRflex® PA 6

- ROHRflex® PA 6-L
- Black

Article number:	0261.202.023
E-No:	125215100
EAN:	7611614285016
Packaging quantity:	50

Features

Properties:	Air- and liquid-tight, oil-resistant up to +80°C, petrol-resistant, largely acid- and solvent-resistant, silicone- and cadmium-free, halogen-free, flame-retardant. UV-resistant in black.
-------------	--

Approvals / Certifications

Protection class:	IP68
Fire class:	HB (UL 94)
VDE:	Yes

Storage / Installation / Operation

Minimum operating temperature:	-25 °C
Maximum operating temperature:	120 °C
