

## Product datasheet:

# Synthetic protective conduits ROHRflex® PA 6-L

## Synthetic protective conduits ROHRflex® PA 6

- ROHRflex® PA 6-L
- Black

**Article number:** **0261.202.048**

E-No: 125216700

EAN: 7611614285047

Packaging quantity: 25

### Features

Properties: Air- and liquid-tight, oil-resistant up to +80°C, petrol-resistant, largely acid- and solvent-resistant, silicone- and cadmium-free, halogen-free, flame-retardant. UV-resistant in black.

### Approvals / Certifications

Protection class: IP68

Fire class: HB (UL 94)

VDE: Yes

### Storage / Installation / Operation

Minimum operating temperature: -25 °C

Maximum operating temperature: 120 °C
