

Product datasheet:

Synthetic protective conduits ROHRflex® PA 6-LB

Synthetic protective conduits ROHRflex® PA 6

- ROHRflex® PA 6-LB
- Black

Article number: **0261.232.016**

E-No: 125214500

EAN: 7611614170350

Packaging quantity: 50

Features

Properties: Air- and liquid-tight, oil-resistant up to +80°C, petrol-resistant, largely acid- and solvent-resistant, silicone- and cadmium-free, halogen-free, flame-retardant. UV-resistant in black.

Approvals / Certifications

Protection class: IP68

Fire class: HB (UL 94)

VDE: Yes

Storage / Installation / Operation

Minimum operating temperature: -25 °C

Maximum operating temperature: 120 °C
