

Product datasheet:

Clamping insert for heavy conduit clamp RQM

Heavy conduit clamp RQM

- For conduit clamp RQM and abrasion protection
- Black

Article number: **5606.021.210**

EAN: 7611614241715

Packaging quantity: 10

Dimensions / Form

Measurement value E: 30 mm

Connections / Entries

Min. clamping range: 10 mm

Max. clamping range: 14 mm

Features

Properties: Free of halogen and phosphor according to EN 53474, resistant to motor fuels, mineral oil, fat, alkalines, glycols, acids, bases, common solvents

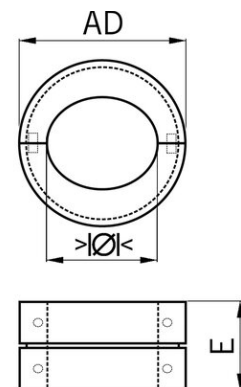

Approvals / Certifications

Fire class: V0 (UL 94)

Storage / Installation / Operation

Minimum operating temperature: -40 °C

Maximum operating temperature: 120 °C
