

Product datasheet:

Clamping collar for conduit

Heavy conduit clamp RQM

Article number:	0308.000.009
EAN:	7611614094076
Packaging quantity:	50

Dimensions / Form

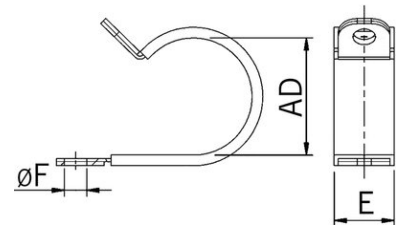

Ø F:	5.3 mm
Measurement value E:	15 mm

Features

Properties:	Without halogen (rubber profile), good resistance to mechanical stress, good resistance to weather, ozone and age
-------------	---

Storage / Installation / Operation

Minimum operating temperature:	-40 °C
Maximum operating temperature:	120 °C

UK
CA
