

Product datasheet:

Clamping collar for conduit

Heavy conduit clamp RQM

Article number: **0308.000.048**

EAN: 7611614094144

Packaging quantity: 25

Dimensions / Form

Ø F: 6.4 mm

Measurement value E: 18.5 mm

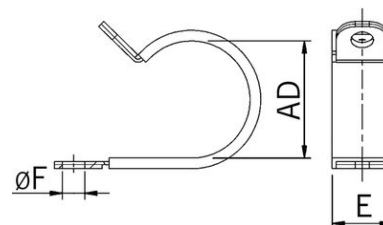

Features

Properties: Without halogen (rubber profile), good resistance to mechanical stress, good resistance to weather, ozone and age

Storage / Installation / Operation

Minimum operating temperature: -40 °C

Maximum operating temperature: 120 °C
