

Product datasheet:

Protective metal conduit liquid-tight

Protective metal conduit liquid-tight

- Protective metal conduit liquid-tight
- Grey
- For applications exceeding +80°C PTFE-sealing required!

Article number: **2140.801.010**

E-No: 125690109

EAN: 7611614110080

Packaging quantity: 50

Features

Properties: High tensile strength and torsional safety due to double overlapped profile, silicone jacket provides good electrical insulation, very good resistance to ozone, ultra-violet radiation and atmospheric influences, no untwisting of the conduit, oil-, petrol-

Approvals / Certifications

Protection class: IP68

VDE: Yes

Tested according to: EN / IEC 61386-23

Storage / Installation / Operation

Minimum operating temperature: -50 °C

Maximum operating temperature: 180 °C
