

Product datasheet:

Protective metal conduit liquid-tight

Protective metal conduit liquid-tight

- Protective metal conduit liquid-tight
- Grey
- For applications exceeding +80°C PTFE-sealing required!

Article number:	2140.801.037
E-No:	125690709
EAN:	7611614117645
Packaging quantity:	25

Features

Properties:	High tensile strength and torsional safety due to double overlapped profile, silicone jacket provides good electrical insulation, very good resistance to ozone, ultra-violet radiation and atmospheric influences, no untwisting of the conduit, oil-, petrol-
-------------	---

Approvals / Certifications

Protection class:	IP68
VDE:	Yes
Tested according to:	EN / IEC 61386-23

Storage / Installation / Operation

Minimum operating temperature:	-50 °C
Maximum operating temperature:	180 °C
