

Product datasheet:

Screened one-gang junction box

Screened one-gang junction box

- with screening and functional earth of the box
- dimensions in accordance with German DIN 49073
- protection class IP 2X

Device connection box DIN VDE 0606-1 and DIN 49073, made of plastic, diameter 60 mm, depth 60 mm, protection class IP 2X DIN EN 60529, with snap tunnel connector, in masonry, with screening and functional earth

Article number:  **1555-88**

EAN: 4013456121003

Inner packing / Packaging quantity: 10 / 100

Price group: 192

Dimensions / Form

Product depth: 63 mm

Connections / Entries

Number of entries: 10

For conduit Ø: 20 mm

Assembly / Installation

Assembly type: UP (solid construction)

Safety / Properties

Shielded installation: Yes

Halogen-free: Yes

Screened one-gang junction box for flush-mounting installation. The conductive coating suppresses interference with a high alternating field component, whether radiated or received.

- For environmentally-safe electrical installation
- With screening and potential conductivity
- The functional earth of the box must only be connected to the potential equalisation and not to the equipment grounding conductor (PE conductor)
