

Product datasheet:

Device screw +/-, Length 40 mm

- self-tapping Ø 3.2 mm
- Countersunk head with PZ1/S combination drive
- surface double-treated
- corrosion-resistant in accordance with German DIN VDE standard

Article number: **⇒ 2472-40**

EAN: 4013456548787

Inner packing / Packaging quantity: 100 / 10000

Price group: 175

Dimensions / Form

Product length: 40 mm

Assembly / Installation

Assembly type: UP (solid construction)
