

Product datasheet:

Extension piece - 13mm - for junction box

Flush-mounted junction boxes for flexible plastic conduits (KRF or KRFG)

- For increasing the front-to-back depth of the box or for sub-ceiling insulation
- Multiple extensions possible
- With two fixing screws

Article number:  **9908.68**

EAN: 7611614036984

Packaging quantity: 10

Price group: 130

Dimensions / Form

Product length: 115 mm

Product width: 115 mm

Product depth: 13 mm

Assembly / Installation

Assembly type: BB (solid construction)

Safety / Properties

Special application: on-site mixed concrete

Each flush-mounted junction box has a large number of break-out conduit inlets. They are equally suitable for use with flexible plastic conduits of the corrugated (KRFG) or the smooth (KRF) type. The electrician can easily and quickly insert the conduits into the box or pull them through.
