RoHS declaration

Restriction of the use of certain hazardous substances according to EU Directive 2011/65/EU and 2015/863/EU

The materials we use comply with the applicable directives of EU Directive 2011/65/EU and the extension 2015/863/EU of the European Parliament on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directive) and fulfil the legal regulations for bringing substances onto the market.

We confirm that all products supplied by Plastic Color, with reference to the aforementioned directive, comply with the requirements for the following mass fractions and that no such substances are released during the assembly of our products:

Lead (0,1 %)

Mercury (0,1 %)

Cadmium (0,01 %)

Hexavalent chromium (0,1 %)

Polybrominated biphenyls (PBB) (0,1 %)

Polybrominated diphenyl ethers (PBDE) (0,1 %)

Di(2-ethylhexyl)phthalate (DEHP) (0,1 %)

BBP Benzyl butyl phthalate (BBP) (0,1 %)

Butyl benzyl phthalate (DBP) (0,01 %)

Diisobutyl phthalate (DIBP) (0,1 %)

As a downstream user, we are excluded from Regulation (EC) No 1907/2006 (REACH). We have therefore made appropriate agreements with our suppliers to ensure that our suppliers materials fulfil the requirements of the regulation and do not contain any hazardous substances that require registration.

Please understand that due to the large number of our products and the complexity of the subject matter, we are unable to answer customer-specific forms.

With kind regards,

Erembodegem 19.02.2024
