

Product datasheet:

Insulated hook screw, 100 mm

Accessories for lamp boxes

- For retrofitting in ceiling boxes (EN 60670)
- With self-forming thread, insulated
- Proof voltage: 2500 V tested
- Suspension load max. 5 kg

Article number:	1225-10
E-No:	163612100
EAN:	4013456533288
Packaging quantity:	50

Assembly / Installation

Assembly type:	BB (solid construction)
----------------	-------------------------

Safety / Properties

Special application:	on-site mixed concrete
----------------------	------------------------
