

Product datasheet:

Shaft sleeve holder for fibre management plate (FMP) incl. wall bracket

Shaft sleeve holder for fibre management plate (FMP) incl. wall bracket

· Scope of delivery: shaft sleeve holder, wall bracket

Article number:  **4232001**

EAN: 4013456582217

Dimensions / Form

Product length:	665 mm
Product width:	325 mm
Product depth:	180 mm

Safety / Properties

Halogen-free:	Yes
Vibration resistance:	Yes
Chemical resistance:	Yes
Vibration/sharpness definition:	Yes

Features

Network level:	3
----------------	---

Approvals / Certifications

Protection class:	IP68
-------------------	------

Storage / Installation / Operation

Minimum storage temperature:	-10 °C
Maximum storage temperature:	60 °C
Minimum installation temperature:	-10 °C
Installation temperature max.:	60 °C
Minimum operating temperature:	-20 °C
Maximum operating temperature:	60 °C

Shafts made of plastic or concrete are usually used for underground branching of cable and conduit systems. With the help of the shaft sleeve holder, the fibre management plates (FMP) from KAISER GROUP are made suitable for use in all conventional shaft structures. All fibre management plates (FMP) of the KAISER GROUP are compatible with the shaft sleeve holder.

- Compatible with shaft structures made of plastic or concrete
- Compatible with all fibre management plates (FMP)
- Protection class IP68 (immersion bell principle)
- Simple and quick assembly (few components)
- Cable and conduit overlength can be placed in the shaft structure
