

Product datasheet:

Polycarbonate Street Cabinet including FMB (24v) - 48HS-8mm

Polycarbonate Street Cabinet + Hybrid FiberManagement Box

- Can be aligned without any gaps
- Integrated foundation
- Universal ½ Euro-cylinder
- Weatherproof mounting panel
- Removable front panel
- Pre-assembled fixing points for ducts and cables.
- FM Box:
- Flexibility in the FTTX concept.
- Flexibility in fiber network management.
- Integrated strain relief per cable / duct.
- Easy entry seal for each individual cable or duct.
- Structured management of cables, fibres and welding protectors.
- Suitable for direct buried customer cables and ducts
- Easy to install.
- IP65 Waterproof
- Save on working time
- Impact-resistant.

Article number: ➡ 4231008

EAN: 4013456582026

Price group: 710

Dimensions / Form

Product length: 225 mm

Product width: 500 mm

Product depth: 1600 mm

Connections / Entries

For conduit Ø: 25 mm

Safety / Properties

Halogen-free: Yes

Vibration resistance: Yes

Chemical resistance: Yes

Vibration/sharpness definition: Yes

Features

Network level: 3

Splice cassette quantity: 4

Number of fibres (max.): 48

Approvals / Certifications

Protection class: IP65

Product datasheet:

Storage / Installation / Operation

Minimum storage temperature:	-10 °C
Maximum storage temperature:	50 °C
Minimum installation temperature:	-10 °C
Installation temperature max.:	50 °C
Minimum operating temperature:	-20 °C
Maximum operating temperature:	60 °C

Attema's Fiber Management Box (FM Box) with Polycarbonate street cabinet is an above-ground distribution point (DP) that has been specially developed for at most 48 buried so-called Fiber-to-the-Home subscriber connection cables or ducts. For the splice mechanic the working method for sorting, splicing and storing the fiberglass cables is the same as for Attema's well-known underground Fiber Management Plate(FMP). Thanks to the pre-assembled parts, the compact format, the supplied suspension bracket and the ease of assembly, the FM-Box is excellent suitable to use in the Attema street. The FM Box with street cabinet is also available with a Window Cut.
