

Product datasheet:

HWT tabs

Flush-mounted boxes Hollow-wall

· For normal fixing via slotted holes in the wall of UHW40, HWD50 and HWD50S.

Article number: **↗ AT1051**

EAN: 8712259000206

Packaging quantity: 100

Assembly / Installation

Assembly type: HW (drywall/lightweight construction)

ETIM Product classification:

Accessories/spare parts for junction boxes/cases for mounting in the wall

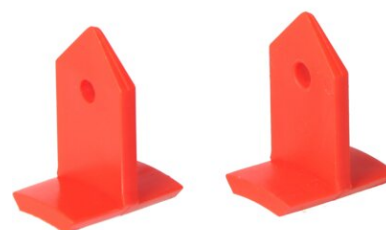

Type of accessory/spare part:

Accessory: No

Spare part: No

Suitable for built-in installation box: No

Suitable for central conduit box: No

Assembly instructions

Attema has a complete range of flush-mounted boxes for hollow walls. Such as fire and smoke resistant flush-mounted boxes, radiation resistant boxes and various inserts, making the boxes also suitable for applications where high(er) demands are made on the air and sound tightness of the walls. Part of the range are hollow wall flush-mounted boxes that are suitable for mounting with different kind of cables, so that they can be used in pluggable installations in utility and residential construction. A good example of this is the Installation 2.0 concept, in which the installation time is greatly reduced and the chance of errors is reduced to a minimum.
