

Product datasheet:

Center drill circular saw

Flush-mounted boxes Hollow-wall

- In combination with Attema holesaw equipped with unique Drill & Drop system for easy removal of the drill plug.
- Drill pin (hexagon) Ø 11.5 mm.

Article number: **↗ AT2881**

EAN: 8712259316406

Packaging quantity: 10

Assembly / Installation

Assembly type: HW (drywall/lightweight construction)

ETIM Product classification: Drill chuck adaptor for core drill bit

Machine insertion: Hexagon

Size machine insertion:

Thread connection: No

With centre drill: No

Tool insertion:

Attema has a complete range of flush-mounted boxes for hollow walls. Such as fire and smoke resistant flush-mounted boxes, radiation resistant boxes and various inserts, making the boxes also suitable for applications where high(er) demands are made on the air and sound tightness of the walls. Part of the range are hollow wall flush-mounted boxes that are suitable for mounting with different kind of cables, so that they can be used in pluggable installations in utility and residential construction. A good example of this is the Installation 2.0 concept, in which the installation time is greatly reduced and the chance of errors is reduced to a minimum.
