

Product datasheet:

Light hook with thread M5, shaft length 105 mm

Ceiling junction box

- For retrofitting in ceiling boxes (EN 60670)
- Maximum light hook load according to DIN EN 60670 100 N (10 kg)
- with M5 thread, fully insulated

Article number:  **1226-97**

EAN: 4013456354708

Packaging quantity: 100

Price group: 130

Dimensions / Form

Product length: 132 mm

Assembly / Installation

Assembly type: BB (solid construction)

Safety / Properties

Special application: on-site mixed concrete

Ceiling junction box to accommodate electrical connections. With the optional light hook, the box is also ideally suited for installing and attaching luminaires. The wide range of ceiling boxes permits almost all conceivable installations.

- Suitable for all types of formwork
- Flat front part for fast, easy nailing
- Integrated cap nut ensures secure fitting of an M5 light hook acc. to DIN EN 60670
- The colour system ensures that the installation can be checked quickly
