

Product datasheet:

Universal installation housing with mineral fibreboard cover

Universal installation housing

- two-part, consisting of a rear housing and a front part with a mineral fibreboard insert
- all-round groove indicates the maximum opening size
- for loudspeakers, displays and LED lights
- for ceiling thicknesses of 140 mm and higher
- for wall thicknesses of 110 mm and higher

concrete construction, universal installation housing, 90 x 90 x 70 mm, 2-part
 Universal installation housing for concrete construction installation, on-site mixed concrete, fixing to formwork, concrete construction box, design as universal installation housing with mineral fibreboard, made of plastic, with integrated support element attachment Ø 20 mm for installation to opposing formwork, length 90 mm, width 90 mm, depth 70 mm

For installation openings up to max. 40 x 40 mm, device installation depth max. 60 mm
 Insertion markings for electrical installation conduits (8 x up to 25 mm) or (4 x up to 32 mm) and for cables and electric cables (8 x up to Ø 16 mm), protection class IP 30 according to DIN EN 60529, flame-retardant according to DIN EN 60695 up to 650° C, halogen-free in accordance with DIN VDE 0604-2-100, for concrete construction installation using on-site mixed concrete

Planning data

Article number:  **1223-22**

EAN: 4013456490017

Packaging quantity: 10

Dimensions / Form

Product length:	90 mm
Product width:	90 mm
Product depth:	70 mm
Installation opening (wall/ceiling) length:	40 mm
Installation opening (wall/ceiling) width:	40 mm
Cover for box/housing/casing Ø:	40x40 mm

Assembly / Installation

Assembly type:	BB (solid construction)
Wall thickness min.:	110 mm
Wall thickness max.:	110 mm

Safety / Properties

Special application:	on-site mixed concrete
----------------------	------------------------

Universal installation housing for the installation of almost all device types and shapes in concrete walls and ceilings. The housing system consists of nine different installation housings and an extensive range of accessories.

- For displays, LED lights and much more
- For installing almost all shapes and sizes
- For installation in walls or ceilings
- For in-situ or prefabricated concrete
- For horizontal or vertical formwork and for masonry
