

Product datasheet:

Formwork protector

Ceiling strips

- Ceiling exit for intermediate wall feed, exit or conduit connector
- Accepts large tolerance compensation
- Open on formwork side
- Use wire-pull casing and junction casing 9914.01 for DIN EN conduits up to Ø 63 mm

Ceiling strip (ceiling exit) 300x40x30 mm
 Remains in the concrete
 For DIN EN conduit diameter 20 mm

Article number:  **4558**

E-No: 126584150

EAN: 7611614026022

Packaging quantity: 50

Dimensions / Form

Product length: 306 mm

Product width: 40 mm

Product depth: 29 mm

Planning data

Connections / Entries

For conduit Ø: 25 mm

Assembly / Installation

Assembly type: BB (solid construction)

Safety / Properties

Special application: on-site mixed concrete

Ceiling strips for intermediate wall feeds, as ceiling exit or for connecting installation conduits. The elongated shape allows for compensation of big tolerances for lightweight intermediate wall feeds.

- For DIN EN conduits Ø 20 to Ø 25 mm
- Large tolerance compensation
- Exiting of two conduits at one exit site
- Can be combined for more than one adjacent exit
- Space for conduit ends for extending with conduit bushes
