

Product datasheet:

- Without plaster skin, for magnet fixing
- Standardised combination distance 71 mm
- 4 screw domes

Article number:  **1264-02**

EAN: 4013456592582

Packaging quantity: 100

Price group: 140

Dimensions / Form

Product depth: 88.5 mm

Cover for box/housing/casing Ø: 60 mm

Assembly / Installation

Assembly type: BB (solid construction)

Safety / Properties

Special application: precast concrete

Approvals / Certifications

VDE: Yes

- For in-factory installation
- Stable combinability at standardised distance of 71 mm
- For magnetic and adhesive attachment
- Convenient and secure pipe connection technology
- Proven B² push-button technology for fixing extension elements on the rear
- For in-factory installation
- Pre-assembled sub-assemblies – for maximum efficiency in assembly processes
