

Product datasheet:

HaloX® housing for drilling holes in solid ceilings

For retrofitting

- for retrofitting in solid ceilings
- required hole size Ø 150-160 mm
- Take into consideration the ceiling thickness - at least 3 cm concrete cover is needed on top of the box
- suitable for front parts with Art. No. 1281-XX

Article number:	1290-30
EAN:	4013456336667
Packaging quantity:	10
Price group:	150

Dimensions / Form

Product Ø:	130 mm
Product depth:	133 mm

Assembly / Installation

Assembly type:	BB (solid construction)
----------------	-------------------------

Safety / Properties

Power consumption in housing LED:	20 W
Special application:	on-site mixed concrete

Assembly instructions

Planning data

HaloX® concrete installation housing for solid concrete ceilings can be inserted into existing and retrofitted drilling holes.

- For retrofitting in solid ceilings
- Minimal effect on statics
- Quick installation with snap-in connections
- Robust construction, ideal for use on building sites
- Large selection of opening sizes up to Ø 100 mm
