

Product datasheet:

EnoX® sealing foam frame

EnoX® installation housing

- for fixing onto the EnoX® housing
- for sealing the moisture barrier to the housing

Article number:	9350-99
E-No:	920849909
EAN:	4013456533011
Packaging quantity:	10

Assembly / Installation

Assembly type:	HW (drywall/lightweight construction)
----------------	---------------------------------------

Safety / Properties

Special application:	air-tight
----------------------	-----------

EnoX® housing for luminaires and other devices in ceilings and walls which are produced in a lightweight design with an air-tight building shell. Variable installation space when there is insufficient room to install electrics in the insulation level.

- Air-tight installation in line with GEG energy-saving ordinance.
- No additional installation level is necessary
- For ceilings and walls in renovated and new buildings
- Toolless cable and conduit entry
- Thermally-protected installation space 300 x 200 x 55 mm
- ECON® technology for air-tight and toolless insertion
- FX⁴ technology for fast cavity wall installation
