

Product datasheet:

ThermoX® individual front rings

ThermoX® installation housing

· for retrofitting or as spare part

Article number:  **9300-41**

EAN: 4013456152618

Packaging quantity: 10

Assembly / Installation

Assembly type: HW (drywall/lightweight construction)

Safety / Properties

Special application: Without

ETIM Product classification:

Accessories/spare parts for luminaire mounting box

Type of accessory/spare part: Front ring

Accessory: No

Spare part:

ThermoX® installation housing for installing halogen and pivoting recessed LED luminaires in various ceiling structures. The housing protects the surrounding material (moisture barrier foil, insulation etc.) from the lamp's extreme operating temperatures and creates an air-tight closure.

- Installation housing for halogen luminaires (low voltage and high voltage)
- Fire-preventive and air-tight
- For insulated hollow ceilings
- Two different front part types
- Integrated transformer closing cap
- Ceiling exits (CE) up to Ø 86 mm
- Installation from either above or below
