

Product datasheet:

EXPERT carbide countersink hole cutter Ø 74 mm for flush-mounting box installation

EXPERT cutter

- carbide tipped
- for flush-mounting box and casing installation

Article number:	1082-45
EAN:	4013456587984
Price group:	170

Dimensions / Form

Drill/cut hole Ø:	74 mm
-------------------	-------

Features

For cutters:	EXPERT
--------------	--------

The new EXPERT cutter is the ideal tool for creating installation openings in drywalls with increased requirements. Carbide teeth enable use in hard materials and guarantee maximum operating life. The high dimensional accuracy guarantees precise and professional installation of KAISER boxes.

- Longest service life due to carbide teeth
- Faster installation thanks to reliable drilled core ejection
- With holder, centring drill, countersink hole cutter and drilled core ejector
- Cutting diameter 68 mm and 74 mm
- Multifunctional use in almost all board materials
- Unique triangular-round cutter geometry for maximum hole precision
