

Product datasheet:

Earthing cleat terraFIX® 3/8" - 3/4"

Earthing and equipotential bonding

- for cables 4 - 25 mm² or round conductors up to Ø 6.6 mm
- low contact resistance due to two terminals

Article number:	↻ 9601.28
E-No:	156830131
EAN:	7611614284538
Packaging quantity:	10

Connections / Entries

For conduit Ø:	16 mm
For conductor Ø:	6.6 mm
For wire cross-section:	4 - 25

Fitting

Tightening torque:	2
--------------------	---

- Quick assembly thanks to a snap-in mechanism
- One-handed assembly is feasible
- Tapping in longitudinal or cross direction
- Latest clamping technology
- Open cleat for quick lacing of the wires or cords
