

Product datasheet:

Earthing cleat terraFIX® 1" - 1 1/4"

Earthing and equipotential bonding

- for cables 4 - 25 mm² or round conductors up to Ø 6.6 mm
- low contact resistance due to two terminals

Article number:	↗ 9601.42
E-No:	156830081
EAN:	7611614284552
Packaging quantity:	10

Connections / Entries

For conductor Ø:	6.6 mm
For wire cross-section:	4 - 25

Fitting

Tightening torque:	2
--------------------	---

- Quick assembly thanks to a snap-in mechanism
- One-handed assembly is feasible
- Tapping in longitudinal or cross direction
- Latest clamping technology
- Open cleat for quick lacing of the wires or cords
