

Product datasheet:

Article number:	➔ AT8701
EAN:	8712259595795
Packaging quantity:	25

ETIM Product classification: Plug-in connector for plug-in building installation

Model:	Bus
Rated voltage:	250 V
Rated current:	20 A
Number of poles:	3
Degree of protection (IP):	IP20
Connection type:	
Cable diameter:	
Connection cross section (fine-strand):	
Connection cross section (solid-core):	15 mm ²
Number of connections per pole:	1
Pole codification:	L, N, PE
Mechanical coding:	No
Colour coding/contact insert:	White
RAL-number coding/contact insert:	
Type of locking:	Integrated in plug-in connector
With strain relief:	No
Max. continuous temperature resistance contact part:	100 °C
Max. continuous temperature resistance strain relief:	
Housing material:	Polyamide (PA)
Halogen free:	No
Fire load:	0,209 kWh
Contact material:	CuZn
Surface coating contacts:	Tinned
Pollution degree:	3
Continuity resistance:	1,3 mOhm
Rated surge voltage:	4 kV
Length:	33 mm
Height:	19 mm
Width:	19 mm
