

Product datasheet:

Article number: **AT8706**

EAN: 8712259595832

Packaging quantity: 25

ETIM Product classification:

Plug-in connector for plug-in building installation

Model: Bus

Rated voltage: 250 V

Rated current: 20 A

Number of poles: 3

Degree of protection (IP): IP20

Connection type:

Cable diameter:

Connection cross section (fine-strand):

Connection cross section (solid-core): 25 mm²

Number of connections per pole: 1

Pole codification: L, N, PE

Mechanical coding: No

Colour coding/contact insert: Red

RAL-number coding/contact insert:

Type of locking: Integrated in plug-in connector

With strain relief: No

Max. continuous temperature resistance contact part: 100 °C

Max. continuous temperature resistance strain relief:

Housing material: Polyamide (PA)

Halogen free: No

Fire load: 0,246 kWh

Contact material: CuZn

Surface coating contacts: Tinned

Pollution degree: 3

Continuity resistance: 1,3 mOhm

Rated surge voltage: 4 kV

Length: 33 mm

Height: 19 mm

Width: 19 mm
