Product datasheet:

Installation 2.0 Cables

· Suitable for use in hollow spaces
· Maintenance-free according to EN-IEC 61535
· Equipped with Attema connectors

Article number:	**AT8328.025**
EAN:	8712259623689
Packaging quantity:	20

Dimensions / Form

Cable length:	2.5 m

Electrical Properties

Assembled electric cable type:	Type 0
Cable function:	Function 3

Approvals / Certifications

Fire class:	ECA

Installation 2.0 is a pluggable installation system based on pre-wired central and cable boxes in combination with prefabricated mounted switching material and a pluggable group box. These components are connected with flexible cables. The installation time is therefore greatly reduced compared to traditional installation, and failure costs are kept to a minimum.

Cca cords
Fire class Cca cords are available upon request. Contact us for current delivery times.
