

## Product datasheet:

# VK 80x80 Wiring duct

## Wiring ducts

- Cover included.
- Bottom perforation according to standard.

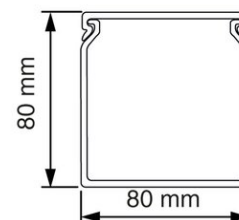

**Article number:** **⇒ AT3466**

**EAN:** 8712259184760

**Packaging quantity:** 10

## ETIM Product classification: Slotted cable trunking system

|                       |                       |
|-----------------------|-----------------------|
| Material:             | Other                 |
| Height:               | 80 mm                 |
| Width:                | 80 mm                 |
| Length:               | 2.000 mm              |
| Diameter:             |                       |
| Distance of slots:    | 12,5 mm               |
| Slit width:           | 5 mm                  |
| Type of side wall:    | Hole-/slot punching   |
| Halogen free:         | No                    |
| Self-extinguishing:   |                       |
| Flexible:             | No                    |
| Usable cross section: | 5.620 mm <sup>2</sup> |
| Type of fastening:    | Bottom perforation    |
| With cover:           | No                    |
| Colour:               | Grey                  |
| RAL-number:           |                       |

Attema offers a complete assortment of high-quality raceways. These raceways are distinguished by a series of practical characteristics and are also very attractively priced. The special pre-punched slots, for instance, ensure optimal organization of the wires. In addition, the raceways include standard-compliant pre-punched holes for rapid installation on mounting plates in switchgear cabinets. The burr-free and easy to break out raceway tabs, which ensure that the insulation on the wires remains intact, are also worth mentioning. The raceways are closed off by a sturdy cover that cannot come off unexpectedly.
