

Product datasheet:

Universal mounting plate

Cable-mate® cableboxes for dry indoor use

- Attema's universal mounting plate makes it possible to mount a large number of components on cable trays. Of course Attema articles, such as cable boxes, but also articles that we do not have in our assortment, such as (surface) switch material.
- Applicable on all common cable trays by means of quick "click" mounting.
- Suitable for cable trays from Legrand (Van Geel), Stago, Niedax, Vergokan, PUK and OBO.
- Mounting surface is 180 x 120 mm and 7 mm thick.
- Components can be mounted directly with sheet metal screws with a diameter of Ø 3.5 mm Ø 4.9 mm.
- Equipped with fixing plugs for cable tray mounting.
- Fitted with plastic screws for quick mounting of junction box AK1 and AK2 on the front and back of the plate.
- Fixing methods on the cable tray according to AK2-S.
- for fast and toolless "click" assembly
- Fastening clips included
- Suitable for cable support systems from well-known manufacturers
- Allows universal assembling of various components
- Quick-assembly screws for fixation of AK2 housings included

Article number: **↪ AT2244**

EAN: 8712259244587

Packaging quantity: 8

Dimensions / Form

Product length: 180 mm

Product width: 120 mm

Assembly / Installation

Fastening type (other): Latch on

Safety / Properties

Halogen-free: Yes

Cable-mate® is the innovative, award-winning cable box system that excels in terms of time savings and ease of installation. There is a wide selection of versatile cover material that can be attached to the cable box easily, without screws. The completely renovated raceway click attachment system makes rapid installation possible on all common raceways.
