

## Product datasheet:

### AK IP65 cable junction box

· Equipped with fixed seal and closure plugs.

|                     |               |
|---------------------|---------------|
| Article number:     | ↗ AT2307.01   |
| EAN:                | 8712259592749 |
| Packaging quantity: | 20            |

#### Safety / Properties

|               |     |
|---------------|-----|
| Halogen-free: | Yes |
|---------------|-----|

#### ETIM Product classification:

**Cover for box/housing for surface mounting on the wall/  
ceiling**

|                                                                            |             |
|----------------------------------------------------------------------------|-------------|
| Diameter:                                                                  |             |
| Length:                                                                    | 100 mm      |
| Width:                                                                     | 100 mm      |
| Depth:                                                                     | 15 mm       |
| Shape:                                                                     | Square      |
| Type of fastening:                                                         | Click       |
| Model:                                                                     | Blind cover |
| Colour:                                                                    | Black       |
| Transparent:                                                               |             |
| RAL-number:                                                                |             |
| With connection cable:                                                     | No          |
| Number of socket outlets:                                                  |             |
| Number of 3-pole connectors:                                               | 0           |
| Number of 4-pole connectors:                                               | 0           |
| Number of 5-pole connectors:                                               | 0           |
| Outgoing connections with connectors for<br>plug-in building installation: |             |
| Degree of protection (IP):                                                 | IP65        |
| Degree of protection (NEMA):                                               |             |

Protection class IP65 cable junction boxes with internal mounting. Simple mounting with an integrated thread for the cable gland. The lid can be snapped onto the housing without tools.
