Product datasheet:

# AK2-IP65 M20/M25 with nylon cable glands M25

## AK IP65 cable junction box

· Cable box AK2-IP65 with combined knock-outs for M20 and M25 lead-ins.
· Includes 3 cable glands and lock nuts M25 (clamping range Ø 10-17mm) and a AKB16 quick fixing screw.
· Rapid fixation possible on metal mounting plates by using the AKB16 quick fixing screw.
· The combo-ports M20/M25 make it possible to replace a thick cable with one that has a smaller diameter. To do so, the cable gland M20 must be attached to the box wall with the matching lock nut.
· More junction space than AK1 box. Especially designed for rigid cables and cables with a bigger diameter.
· Cover includes fixed seal and seal plugs.
· Cover "clicks" on the box.

halogen-free
