

## Product datasheet:

### Empty boxes and parts

- For branching off circuit breakers or connecting components (e.g. socket).
- Connection range up to 2 x 10 mm<sup>2</sup>.

|                        |                  |
|------------------------|------------------|
| <b>Article number:</b> | <b>⇒ AT90073</b> |
| EAN:                   | 8712259536125    |
| Packaging quantity:    | 20               |

### ETIM Product classification: Distribution terminal block

|                     |                    |
|---------------------|--------------------|
| Core cross section: | 10 mm <sup>2</sup> |
| Number of poles:    | 2                  |
| With seal head:     | No                 |

The new generation of Click-mate NXT distribution boxes is available in various versions: The compact S distribution box with 12 modules, the familiar M distribution box with space for 2 x 12 modules and the innovative L distribution cabinet with 2 x 18 modules; the solution for the energy transition and extensive 3-phase installations. The distribution boxes are also completely modular and can easily be installed next to or underneath each other.
