

Product datasheet:

Empty boxes and parts

- Suitable for expansion in Click-mate NXT distribution boards.
- For bridging 1-phase circuit breakers next to an earth leakage switch.
- Copper cross section: 10 mm².

Article number:	➔ AT90064
EAN:	8712259536033
Packaging quantity:	5

ETIM Product classification: Phase busbar

Number of phases:	1
Number of poles:	
Suitable for number of devices:	5
Module width:	18 mm
Cross section:	10 mm ²
Length:	126 mm
Can be cut to size:	
Width in number of modular spacings:	7
Rated permanent current I _u :	63 A
Type of electric connection:	Pin
Insulated:	No
Rated surge voltage:	
Conditioned rated short-circuit current I _q :	
Max. rated operation voltage U _e :	
Rated short-time withstand current I _{cw} :	
Suitable for devices with N-conductor:	
Suitable for devices with auxiliary switch:	
Colour:	Grey

Assembly instructions

The new generation of Click-mate NXT distribution boxes is available in various versions: The compact S distribution box with 12 modules, the familiar M distribution box with space for 2 x 12 modules and the innovative L distribution cabinet with 2 x 18 modules; the solution for the energy transition and extensive 3-phase installations. The distribution boxes are also completely modular and can easily be installed next to or underneath each other.
