

Product datasheet:

Components

- Suitable for expansion in Click-mate NXT distribution boards.
- Component width: 36 mm.

Article number:	⇒ AT90228
EAN:	8712259536651
Packaging quantity:	6

ETIM Product classification: Main switch for distribution board

Switching function:	Other
Number of contacts as normally open contact:	2
Number of contacts as normally closed contact:	
Number of contacts as change-over contact:	
Number of poles:	2
Rated current:	40 A
Rated voltage:	440 V
Min. rated voltage:	
Rated switching capacity:	0,12 kA
Short-circuit breaking capacity (Icw):	10 kA
Voltage type:	AC
With signal lamp:	No
Colour calotte:	Other
Lamp type:	Other
Lamp socket:	Other
Max. lamp power:	
Width in number of modular spacings:	2
Built-in depth:	70 mm
Degree of protection (IP):	IP20
Imprint/indication:	
Forced segregation according to DIN VDE 0113:	

With the Click-mate NXT you can easily put together your custom distribution boxes. You choose one of the cabinets from the basic range based on the space available in the meter cabinet or the required components. You can then add, remove or move specific components. For example, it is possible to place components that are subject to a long-term load, such as groups for PV installations or charging stations, 'freely'. Or to reserve free space for components for home automation or energy management systems.

Assembly instructions
