

Product datasheet:

AK2 Data basic housing with flat mounting plate

Consolidation Box

- Each cable box includes 2 soft slide-in data lead-ins and 1 slide-in blind cover'.
- Version with flat plastic mounting plate for quick click-mounting on cable trays.
- Matching AK2-D lid and RJ45 adapters can be ordered separately.
- Suitable for cable trays from Legrand (Van Geel), Stago, Niedax, Vergokan, PUK and OBO.
- 2 cable entries and 1 blanking plug are included per item
- Matching AK2 front part can be ordered separately
- Suitable for cable support systems from well-known manufacturers

Article number: **↔ AT1960**

EAN: 8712259220307

Packaging quantity: 10

Price group: 250

Dimensions / Form

Product length: 120 mm

Product width: 95 mm

Product depth: 40 mm

Connections / Entries

Number of entries: 10

Assembly / Installation

Fastening type (other): Shallow mounting plate

Safety / Properties

Halogen-free: Yes

Material / Colour

Colour designation: Light grey

Approvals / Certifications

VDE: Yes

Storage / Installation / Operation

Minimum operating temperature: -40 °C

Maximum operating temperature: 70 °C

The Consolidation Box from Attema makes it possible to install ICT cabling in a flexible manner, because the installation is divided into two steps. The largest portion of the work takes place during the rough construction, at the same time as the other cabling is installed in the building. As a result, you only have to install a small portion of the ICT cabling during the finishing phase. The Consolidation Box complies with the installation standards of EIA/TIA 568A/B, ISO 11801 and NEN-EN 50173.
