

Product datasheet:

AK2 Data front part for max. 4 modules

Consolidation Box

- Raised AK2 cover equipped with 4 knock-out ports for the placement of adapters.
- The adapter allows attachment of almost any brand or type of RJ45 connector and can be ordered separately.
- The cover has provisions along the edge to allow easy labelling.

Article number:	⇒ AT1965
EAN:	8712259345819
Packaging quantity:	25

Dimensions / Form

Product length:	125 mm
Product width:	100 mm
Product depth:	60 mm

Safety / Properties

Halogen-free:	Yes
---------------	-----

Material / Colour

Colour designation:	Light grey
---------------------	------------

Technical information

Approvals / Certifications

VDE:	Yes
------	-----

ETIM Product classification:

Cover for box/housing for surface mounting on the wall/ceiling

Diameter:	
Length:	125 mm
Width:	100 mm
Depth:	60 mm
Shape:	Rectangular
Type of fastening:	Click
Model:	Suitable for data link
Colour:	Grey
Transparent:	No
RAL-number:	1.013
With connection cable:	No
Number of socket outlets:	
Number of 3-pole connectors:	0
Number of 4-pole connectors:	0

Product datasheet:

Number of 5-pole connectors:	0
------------------------------	---

Outgoing connections with connectors for plug-in building installation:	
--	--

Degree of protection (IP):	IP40
----------------------------	------

Degree of protection (NEMA):	
------------------------------	--

The Consolidation Box from Attema makes it possible to install ICT cabling in a flexible manner, because the installation is divided into two steps. The largest portion of the work takes place during the rough construction, at the same time as the other cabling is installed in the building. As a result, you only have to install a small portion of the ICT cabling during the finishing phase. The Consolidation Box complies with the installation standards of EIA/TIA 568A/B, ISO 11801 and NEN-EN 50173.
