ETIM Product classification:

Cover for box/housing for surface mounting on the wall/ceiling

Diameter:	
Length:	125 mm
Width:	100 mm
Depth:	60 mm
Shape:	Rectangular
Type of fastening:	Click
Model:	Suitable for data link
Colour:	Black
Transparent:	
RAL-number:	
With connection cable:	No
Number of socket outlets:	
Number of 3-pole connectors:	0
Number of 4-pole connectors:	0
Number of 5-pole connectors:	0
Outgoing connections with connectors for plug-in building installation:	
Degree of protection (IP):	IP40
Degree of protection (NEMA):	

The Consolidation Box from Attema makes it possible to install ICT cabling in a flexible manner, because the installation is divided into two steps. The largest portion of the work takes place during the rough construction, at the same time as the other cabling is installed in the building. As a result, you only have to install a small portion of the ICT cabling during the finishing phase. The Consolidation Box complies with the installation standards of EIA/TIA 568A/B, ISO 11801 and NEN-EN 50173.
